The California Private Postsecondary Education Act (CPPEA) of 2009, which was effective January 1, 2010, requires under section 94910 of CPPEA that a school provide information for each program offered in regards to, completion rates, placement rates, licensure exam passage rates, and salary/wage information. The following information is data compiled from January 1, 2011 to December 31, 2014.

2011-2014 Completion Rates

<sup>1</sup> "Number of Students Who Began Program" is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

<sup>2</sup> "Students available for graduation" is the number of students who began program minus the number of "Students unavailable for graduation," which means those students who have died, been incarcerated, or called to active military duty.

<sup>3</sup> "Graduates" is the number of students who completed the program within 100% of the published program length.

<sup>4</sup> "Completion Rate" is the number of Graduates divided by the Number of Students Available for Graduation.

<sup>5</sup> "150% Graduates" is the number of students who completed the program within 101-150% of the published program length.

<sup>6</sup> "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

</table>

1 “Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.
2 “Number of Graduates” is the number of students who have completed the program within 100% of the published program length.
3 “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
4 “Graduates Employed in the Field” means graduates who report that they are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.
5 Placement Rate is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

(Student Initial/Date)_______/_______ I have read and understand the information presented above.

</tbody>
</table>

1 Number of Students Taking Exam is the number of students who completed the program within 150% of published program length and for whom the reported exam is the first exam that was available after their completion of the program.

2 Passage Rate is calculated by dividing the number of students who pass the exam by the number of graduates who take the reported licensing exam.

1 "Graduates available for employment" means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation,
die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

2 "Graduates employed in the field" means graduates who are gainfully employed within six months of graduation in a position for which the skills obtained through the education and training provided by the institution are required or provided a significant advantage to the graduate in obtaining the position.

3 Salary is as reported by the student. Not all graduates reported salary.

(Student Initial/Date)______/______ I have read and understand the information presented above.

Federal Financial Aid Information:

3 year cohort Federal student loan default rate (reported by U.S Dept. of Education as of 12/31/2012): 18%

Percentage of enrolled students receiving federal student loans (as of 12/31/2013): 77%

To obtain a description of the manner the above statistics were gathered; or a list of employment positions determined to be within the field for which a student received education and training for the calculation of job placement rates; or a list of the objective sources of information used to substantiate the salary disclosures; please ask your enrollment representative.

This fact sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law.

Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at PO Box 980818, Sacramento, CA 95798-0818, www.bppe.ca.gov, ph 888-370-7589.
